

DOVER AREA AQUATIC CLUB ON SOCIAL MEDIA

Stay up-to-date on DAAC news using social media. Club emails will continue to be sent to members, but we will also share announcements, updates, and tips through other platforms.

For the protection of our swimmers, all DAAC social media groups are closed to the public, and only current swimmers and parents will have access. Please respect the DAAC community by being polite and considerate on all social media platforms. Any issues or concerns that arise should be handled in person or via email.

FACEBOOK:

You can find DAAC by using the Facebook search bar. There are two Dover Area Aquatic Club results – one is a public informational page for the community and the other is listed as a secret group. Please request to join the secret group and an administrator will add you.

TWITTER:

By searching @Swim_DAAC or DAAC Swimming, you will find the private group on Twitter. Please request to follow and an administrator will grant you access.

INSTAGRAM:

Search for Swim_DAAC on Instagram and send a request to follow the club. An administrator will allow you to join.
